

Aman Epriandi

IT suport Repairment Computer

About Me

I am Aman epriandi, a young professional with an Information Systems education background and engineering experience.

Autocad Professional Mechanical Design

I am a friendly team player, and take great pride in the quality of my work. I completed my under graduate studies in Computer Science from Insan Pembangunan University

Thank you for checking my profile, and feel free to contact me at: Aman.epriandi02@gmail.com

Experience

Repairmen Computer

Capitalize on low hanging fruit to identify a ballpark value added activity to beta test. Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.
